

# Your account number is changing!

As part of our ongoing merger integration work, we are moving to one customer information system. As a result, your account number is changing.

**You'll notice the change on your first invoice after January 12.**

Don't worry, there's nothing you need to do.  
We'll automatically update everything for you.

**Learn more about the changes to your account at [enovapower.com/accountupdate](https://enovapower.com/accountupdate).**

## Coming soon: your new-look Enova bill.

Along with a new account number, you're going to see a new and improved bill.

Your new bill will be clearer, brighter, and easier to understand.

Get to know your new bill at
